

Vision

Bringing healing, wholeness and freedom to broken lives & communities as we expect great things from God and attempt great things with God

Values

At the heart of our values is an understanding that our journey with God and each other is all about Covenant and Kingdom.

Covenant

This is the theme in scripture that expresses God's desire to call us into deep and loving relationship with Him and to partner with Him in transforming our society as we ourselves are transformed.

Kingdom

This is the rule and reign of God in His people, and increasingly in this world. We partner with Him to further His Kingdom in words, works and wonders as we overflow His great "power that is at work within us" (Eph 3:20) into the world around.

Encountering God

Jesus is the centre

Jesus said, "I have come that they may have life, and have it to the full." (John 10:10) The life, death, resurrection and ascension of Jesus Christ changed everything and without an encounter with the risen Jesus nothing will change

The Word of God

We believe that the Bible is the inspired, written word of God and we seek to read it, mediate on it, and for our lives to be transformed as we live out its teachings.

Worship

We believe that our highest calling is to worship God in word and action. We aim to communicate this through the love and devotion expressed in our music and creative arts and embodied in the way that we live our lives.

Prayer

Our desire is to see a church that is constantly under-girded by prayer, in its many forms. We see that Jesus modelled the necessity of prayer and we want to be like Him in this.

A real and authentic ministry of the Holy Spirit

We can all be carriers of the presence of God through our lives, walking with the awareness of being filled God's spirit and demonstrating both the gifts and the fruit of the Spirit as we life live.

Building Community

Prophetic

We listen to God. We highly value the prophetic and we want to give it room to develop, under supervision. Prophecy will be expressed in the very way we do our ministries as well as through individuals, in prayer ministry or in corporate worship.

Everyone involved and all playing a part

Every person has a unique design and gifting and unique callings from God across life. We are committed to seeing people's potential realised and fulfilled. This means each person taking responsibility for living out their calling and expressing their God-given gifts. Our leaders are here to help this happen.

Welcoming and Relational

Everyone needs to belong so we place a high emphasis on human dignity where we see the image of God shared by every human being so we try to be a generous, respectful and compassionate people.

Equipping and enabling

We aim to intentionally empower and release disciples for life by equipping them to live as children of God in the power of the Holy Spirit

Adventure and risk taking

We believe that ordinary people can do extraordinary things if they have the confidence and courage to take the risk. Therefore we want to create a safe space from where you can take small or big risks.

Advancing the Kingdom

Reaching Out

While we value our strong sense of community and family, we are committed to developing new ways of expressing the Father's love out into our communities and world. This could come in a variety of ways, such as working for justice and equality, for peace and joy, for good business, for a healthy planet, for the prosperity of our city, for healing, for safety, for freedom from addictions and for every person to know the love God has for them. As we stop for the one, we will together reach many.

Partnership

We will demonstrate a commitment to partner with others to advance God's Kingdom, prioritising working together with others with similar vision and values locally nationally and globally

Heaven invading earth

"your kingdom come, your will be done, on earth as it is in heaven" Matt 6:10 We will persevere a Supernatural life marked with signs and wonders as we see the demonstration of God's reign and rule.

Transformation

The heart of Christian transformation is love and service, happening through relationships. Jesus laid down his life for his friends and enemies (1 John 3:16). A life of service motivated by the love of God we've received and freely give away, can transform any circumstance, and we're called as God's people on earth to bring transformation to the homes, families, communities, workplaces, learning-places and social settings we find ourselves in.

Discipleship

The bible says God's Kingdom will always grow (Is. 9:7; Mark 4:30-32). Discipleship means expecting and seeking to grow ourselves, with God's close guidance and in obedience to His call and word. We recognise that much of the western world church tends to talk and learn about Jesus without this resulting in radical action. Our church aims to take responsibility to put Jesus' principles for life into action (Matt. 11:12). #DWJD
