Missional Leaders

To recognise, develop, equip, strengthen and deploy missional leaders across HBC and Chester so that the Kingdom of God is established and advancing across our city.

Statement of Intent

If HBC is going to begin to look like the dream we have, and in 2017 we are fully operating as a church with a deep discipleship culture, with a strong centre and effective missional living, communities, projects and expressions functioning at the edge. Then what we need are leaders whose lives and ministries look like the life and ministry of Jesus!

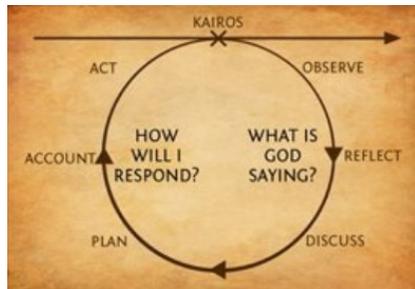

Theme for this evening:

What will it look like for HBC to start to “fish on the right hand side of the boat?”

This evening we shall teach about the “kairos circle”, we shall be introduced “The 153 Experiment” and we shall dig a little deeper in the subject of Missional Communities and IPODs

Kairos Circle

Jesus said, “The time has come, the Kingdom of God is near; repent and believe the good news” Mark 1: 15

153 Experiment

Jesus said..., “do you have any fish?” They answered him, “No.” He said to them, “Cast the net on the right side of the boat, and you will find some.” So they cast it, and now they were not able to haul it in, because of the quantity of fish.... 153 of them ... John 21: 5,6,11

1 The personal and intentional discipleship of each believer at HBC is at the heart of our culture. Each one of us living out our covenant (relationship) with God and Kingdom (representing) of God. Each one of us has a part to play as a believing believer. ○

5 An understanding that the 5 fold ministry of Ephesians 4 teaches that we all have been given gifts and we need to know what our ministry call is and understand that we need others around us and with us. We can't do this on our own we need all of the 5 fold ministry working together! ◡

3 – we pattern our lives after the pattern of Jesus and His 3 great loves UP – we love God; IN – we love one another; OUT – we love those people we are seeking to reach . ▲
