

AMAZONSMILE UK

We're excited to announce HBC Chester is now part of AmazonSmile's charity list. This means your everyday purchases could help us with our fundraising for the new building.

But what is Smile and how does AmazonSmile work?

AmazonSmile is a website operated by Amazon with the same products, prices and shopping features. Your shopping experience stays the same, but every time you shop on AmazonSmile, Amazon donates to your chosen charity.

How much does AmazonSmile donate?

Amazon automatically donates 0.5% of the purchase price of eligible products to your chosen charity when you shop on smile.amazon.co.uk. The good news is shopping with AmazonSmile doesn't cost you, or your chosen charity, any extra.

How do I get Amazon smile?

If you already have an Amazon account, you can begin shopping instantly. Simply visit smile.amazon.co.uk to get started.

- Log in to your Amazon account and search HBC Chester in the 'pick your own charity' search bar
- Select HBC Chester
- You'll receive an email from Amazon and you're ready to shop

How to use Smile on the Amazon app

The main thing to note with Amazon Smile is you always need to purchase your items through smile.amazon.co.uk rather than the main Amazon site. If you use the Amazon app we have a handy workaround:

- Shop on the app as you would normally, adding items to your basket
- Before you checkout, switch to smile.amazon.co.uk on your mobile browser to complete the process.

If you use an Apple device:

- Visit [amazon.smile.co.uk](https://smile.amazon.co.uk) in your Safari browser
- Tap the share button and scroll right to select 'add to Home Screen'
- Click add and then delete your old Amazon app.
