

Hi Messy people :)

We're looking at being humble/humility this week so here are a couple of crafts you might want to try at home. If you need some of the materials then give Andy a ring on 07531512371

or email andy.avery@hbc.org.uk and he can arrange for you to pick some up from HLC!

Craft 1 - All you need is different coloured paper, a marker pen and a piper cleaner

Craft 2 - All you need is different coloured paper/Card, a marker pen and a lolly stick

There's also a great video of a story that Jesus told about being humble. Go to YouTube and type in Saddleback kids Pharisee and Tax Collector and click on the top result—enjoy :)
