DREAMING THE IMPOSSIBLE

SUMMER 2024

Stafford Showground,
27th Jul – 1st Aug 2024

Hello!!!!

We're so excited to announce that we'll be returning to Dreaming the Impossible next summer! Wahaay!!! Those who went along last year know it's the highlight of our year together and a real time of bonding with each other and deepening our faith as well as loads of fun! If you are in school years 9-13 we'd absolutely love you to join us. Why don't you ask someone who went last year to tell you about it and check out their website to get more of a feel for what it will be like. www.dreamingtheimpossible.org

We'll be camping alongside thousands of other young people, hanging out in cafes, listening to live music, checking out sports venues and competitions and who can forget the huge annual silent disco!!!! Last but not least - we'll be making space to worship, ask deep questions of faith, seek God and encounter Jesus. It's going to be truly epic.....as always!!!

When: 27th July – 1st Aug 2024

Where:

****Please note that the expectation is for you to arrange transport between yourselves to and from the Showground. If this is a real barrier to you, please reach out and we'll work out a way to help****

Staffordshire County Showground, Weston Road, Stafford, ST18 0BD

Accommodation:

We will be camping! A leader will confirm with you who will be in your tent and you must decide between you who can bring/borrow one the correct size. Again – if this is a real barrier just let us know so we can help.

If you sign up with us paying some of the cost we will book your ticket for you on our account. *Note that there is also an option to pay in instalments on their booking system if you get in early
