

**Vision Statement:**

We want to bring healing, wholeness, and freedom to broken lives and communities as we expect great things from God and attempt great things with God.

Mission Statement:

We want to help people to love, trust and follow Jesus

Values

We want to be an extended family that is shaped by the goodness of God and the story of scripture, practising the way of Jesus, living as a prophetic people, led in the power of the Holy Spirit, on an adventure of faith and risk extending the Kingdom of God.

Extended family

Because we are family, we get our identity from Father God and we give honour to everyone we meet as those created in the image of God. We have a heart to see and draw out the gold in each other, creating an environment where everyone is equipped to be who God has created them to be.

Goodness of God

Because God is good, we can dream big, live generously, and bring hope.

Story of Scripture

Because the scriptures are God's story and God breathed, we can build our lives on this foundation and join our story with His Story.

Practising the way of Jesus

Because of Jesus' invitation to follow Him we shape our lives around the 3 dimensions of Up: be with Jesus, In: be like Jesus and Out: do what Jesus did.

Prophetic people

Because we are all filled with the Holy Spirit, we are all able to hear God's voice and be creative in how we respond to how God is speaking, confident to answer the questions: what is God saying and what are you doing to respond?

Power of the Holy Spirit

Because the Holy Spirit has come in power, we can live naturally supernatural lives seeking to be those who continually dwell in and live from His presence empowered to be His witnesses.

Faith and Risk

Because we know who we are and whose we are, we can live by faith and take risks as we obey the Spirit's promptings.

Kingdom of God

Because God is our King and Jesus is our Saviour, we live as the people of God to proclaim and demonstrate the good news that the Kingdom of God is near. We are seeking the spiritual, social and cultural transformation of our region.

What this means in practice

Our purpose for gathering is to worship, encourage, strengthen, teach, train and equip people to scatter into their everyday lives and communities to be with Jesus, become like Jesus and do what Jesus did.
